

Unmanned Aircraft System integration into the National Airspace System

With this new horizon of aviation ahead of us, this is a great opportunity to discuss the FAA's integration plan for Unmanned Aircraft into the NAS. Regardless if you are a hobbyist or a commercial pilot, this topic is important to us all.

Directions: Slidell Airport (FBO) main office building

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
